

## Session Proposal Form

If you would like to organise a special themed session at RPG 2019 conference, please fill in the table below and send back to Ting Ting Liu (tliu@theiet.org), the event manager at IET China office. The proposal will be reviewed internally by the technical committee.

### Requirements for the themed session

- Each session requires a minimum of **5 oral presentations/paper** presented
- No limitation on the poster presentations for the session
- Session chair should invite/promote the call-for-paper/delegate of the session
- The session should have a more focused theme and in general in line with the conference overall scope (see [event website](#) for the detailed event scope)

### Benefits for the session organiser/ people submitting to the session

- Session organiser will be recognised & served as the session chair of this session
- Session organiser can attend or publish 1 conference paper **for FREE**
- The invited paper author can **enjoy up to 40% off discount** on registration fee by submitting to the themed session
